President's Report:

Hi all

Hope this finds you all fit, well and sane. I suppose you all like me are running out of jobs around the house and garden to do. Just a reminder if you are going to burn off make sure you get the appropriate permits (Stapes!)

A big thanks to our member Ash Weston for bringing us up to date with what's happening in the Real Estate world. Isn't it refreshing to listen to someone who absolutely loves their job and is able to put a positive spin on even these crazy times. Although its probably pretty easy to be positive when you've just recorded the No. 1 sales on the Mornington Peninsula over recent months. It's great to see what he's doing with his new wellness program for staff and also engaging the community with his webinars. Go to his web site for program times and get involved.

Phil Tang is keen to get shoes donated for his "Soles for Souls" program which assists refugee and migrant children. New or good quality/condition shoes can be dropped at Phil's place No.7 Bayview Rd Frankston.

This week see's the continuation of the "Where are they now" program with our 2011 Exchange student from France Marie Elivre Lemaire (Gradonacelnik) joining us for our meeting, so it would be good to have a great turnout. Marie is currently a paralegal in a Welsh Law firm while she finishes her University studies.

Cheers

Shane

Updates from last Meeting:

A bit of information about the organisations that Phil spoke about at last meeting:

Description:

Soles4Souls was founded in 2006 and it collects new and used shoes and redistributes them through direct donations to people in need and through micro-enterprise partners.

“People living in poverty want a better life, but many lack opportunity.

At Soles4Souls, we turn unwanted shoes and clothing into opportunity, by keeping them from going to waste and putting them to good use – providing relief, creating jobs and empowering people to break the cycle of poverty. “

How to Donate Shoes:

Phil Tang of Natural Endurance is working with Soles4Souls and the Rotary Club of Frankston Sunrise to collect shoes.

To donate shoes contact Phil at:

RMCC Australia:

If you think lockdown is hard, imagine enduring it without technology.

That's what hundreds of kids from refugee and migrant backgrounds across Victoria are having to do right now.

They can't access remote learning.

They're cut off from friends and family.

They're left out, and left behind.

By donating to the Tech to Connect appeal you can help give them the access to technology and RMCC support they urgently need.

EVERY YEAR OVER 2000 REFUGEE KIDS RESETTLE IN VICTORIA.
