All uniforms should be worn with white crewneck T-shirt underneath

Class C uniforms are only worn when it is stated by a board member. Board members determined what uniforms should be worn for the particular deployment. Normally we do not wear volunteer t-shirts mounted. Everything is at the discretion of our coordinator. We do not wear Class C mounted.

If you do not have a complete uniform i.e. jeans, boots, black belt, (temp plain black/dark brown belt ok until belt issued) cowboy hat(mounted). Then until you have the uniform items, please wear your volunteer t-shirt blue or black jeans. The uniform shirt and duty jacket are to be worn as a full uniform only. While in a volunteer t-shirt jewelry will need to remain minimum and respectful.

When enroute or finished/leaving the deployments at no time do you show your uniform. You wear a personal cover-up jacket or personal shirt over your uniform until you get to the deployment or get home. Please be sure your uniform shirts, pants, and jackets are clean and non-wrinkled so we look professional at all times.

**Even though we are volunteers we represent the Chino Police Department and want to look our best at all times.**
