## University Education

- 2017 - 2020      **Habilitation in Economics** under review of Prof. Thomas Straubhaar and Prof. Erich Gundlach at the **University of Hamburg**, Germany and Prof. Mary O'Mahony at the **King's College London**, UK. Completed on the 29<sup>th</sup> of June 2020. Thesis title: *Intangible Capital and Labour Productivity Growth and Determinants of Public Support for the Euro*. My thesis was published as a two volume book with Springer entitled "**Intangible Capital and Growth**" (Vol. 1) and "**Public Support for the Euro**" (Vol. 2).
- 2004 - 2007      **Doctorate in Economics** under the supervision of Prof. Stephan Klasen and Prof. Walther Zucchini at the **University of Göttingen**, Germany and Prof. Fran Tonkiss at the **London School of Economics**, UK. Completed on 12th of October 2007. Thesis title: *Social Capital, Trust and Economic Growth- A Cross-Sectional and Panel Analysis*.
- 2005 - 2007      **Visiting Researcher** at the **London School of Economics**, UK. Exchange as part of PhD in Economics 2005-2007. Under supervision of Prof. Fran Tonkiss.
- 1997 - 2003      **Ludwig-Maximilian-University Munich**, Germany: Study of **Sociology, Economics, and European Law**. In 2003 awarded a **Diploma in Sociology** under the supervision of Prof. Ulrich Beck. Thesis title: *Social capital and the public sphere – two forms of civil society*. Core modules included **Methods of Quantitative Empirical Research**, Social Inequality, **Economic Growth** and **European Economic Law**. In addition, I conducted two semesters of research in Nancy (France) as an Erasmus Exchange Student.

## School Education

- 1987 - 1996      **Helmholtz-Gymnasium** in Essen, Germany. Abitur (1996). In 1993 I attained High-Schools in **Rhode Island**, US and **Keflavik**, Iceland; In 1988 I attained the **US Embassy School** in **Reykjavik**, Iceland.

## Work Experience

- 2023 - present      **Senior Lecturer & Senior Research Fellow** in **Economics** at the **department of economics** at the **University of Hamburg**. Since **November 2021** the **department of economics** has conferred the status of **Senior Lecturer** on me.

- 2017 - 2023 **Senior Research Fellow & Senior Lecturer** at the **department of economics** at the chair of **international economics** of Prof. Thomas Straubhaar, **University of Hamburg**, Germany. Since 2019 I have become the **Principal Investigator** of the **macroeconomic research** package conducted within the Horizon 2020 project GLOBALINTO.
- 2014 - 2017 **Grantee, Scientific Expert and Research Policy Advisor** within the EU framework programme for **DG Research & Innovation, DG Joint Research Centre** and DG Research Executive Agency, European Commission, Brussels. I worked in the context of my research expertise in the field of **intangible capital and labor productivity growth**.
- 2014 - 2015 Non-Resident **Research Fellow, DG EFCIN Fellowship Initiative 2014/2015**, DG Economics and Financial Affairs, European Commission, Brussels. I was awarded a grant by DG ECFIN to conduct **applied economics** lecture notes on the topic of *“Political Economy of EMU: Rebuilding Systemic Trust in the Euro Area in Times of Crisis”*.
- 2009 - 2017 **Associate Research Fellow**, Department of Economics, Ibero-America Institute for Economic Research, **University of Göttingen**, Germany.
- 2009 - 2014 **Editor** of *Intereconomics*, **Review of European Economic Policy**, Brussels. On behalf of CEPS, I co-edited *Intereconomics* jointly with the ZBW in Hamburg, Germany.
- 2007 - 2014 **Research Fellow** at the **Centre for European Policy Studies (CEPS)**, Macro-Economic Policy Unit, Brussels. My work involved the acquirement and the implementation of **applied and basic research projects** funded by **national ministries, national foundations** and the **European Commission** concerning my research on **intangible capital and labour productivity growth** and **Economics and Political Economy of EMU and the Euro**.
- 2004 - 2007 **Scholarship contract** as a Fellow of the **Postgraduate programme “The future of the European model”** at the **University of Göttingen**. The Postgraduate programme was financed by the **Deutsche Forschungsgemeinschaft (DFG)** and involved eight interdisciplinary professorships from the faculty of Business and Economics and the faculty of Social Science.
- 2000 **Internship at Gallup-Iceland in Reykjavik**: Provided me with an introduction to public opinion and market research. I undertook a project concerning the implementation of the ISSP in Iceland.
- 1998 - 1999 **Student Research Assistant** on a research-project *“Effects of flexi-time in the German retail sector”*. I conducted face to face interviews with the Heads of Workers Councils and the Personnel Managers and employees of selected German retail businesses.
- 1996-1997 **Civil Service** in Munich at the **Max-Planck-Institute for Psychiatry and Verein Intergrations-Förderung**: Assisted in the laboratory work for a research project and supported a disabled student with his final written exams in construction engineering.

1996            **Industrial internship** at an **Icelandic** aluminium plant owned by Alcan: Undertook testing of water quality as part of the company's Total Quality Management Programme.

**Languages**        **German** (Mother Tongue), **English** (Fluent), **French** (Good), Italian (Intermediate), Icelandic (Basic).

**IT-Skills**            Most commonly utilized statistical software includes **Stata**, **MS-Excel**, **E-Views**, **SPPS**, **R** and **Phyton**. **Stata** and **R** are used for coding, dataset constructions, and econometric analysis. **MS-Excel** is used for exploratory and descriptive statistics. **E-Views** is used to estimate time-series econometric estimations. Text processing Software includes **MS-Word**, Open Office, TeXstudio, etc. MS-Word is used as the text formatting software for my academic articles. Presentation Software includes **Power Point**, which is used for lecture and conference presentations.

## 2. Publications

14. Postgraduate Programme: “The Future of the European Social Model”; 2004-07; German Science Foundation (DFG).

## 5. Network for Collaboration

---

The list presents the partner institutions that currently are or have been involved in the four EU projects – GLOBALINTO, INDICSER, SERVICEGAP and INNODRIVE – and my research collaborators on PUBLIC SUPPORT FOR THE EURO.

1. Aarhus University (AU), GLOBALINTO
2. Austrian Institute of Economic Research (WIFO), SERVICEGAP
3. Centre for European Policy Studies (CEPS), INNODRIVE, INDICSER & SERVICEGAP
4. Charles University-Economic Institute (CERGE), INNODRIVE
5. Economic and Social Research Institute (ESRI), SERVICEGAP
6. Fraunhofer-Institut für System- und Innovation Research (ISI), GLOBALINTO
7. German Institute of Economic Research (DIW), INDICSER & INNODRIVE
8. King's College London (KCL), INDICSER & SERVICEGAP
9. KOPINT-TARKI Economic Research Institute Ltd., INDICSER
10. Leibniz Centre for European Economic Research (ZEW), INDICSER & SERVICEGAP
11. Lund University (LU), PUBLIC SUPPORT FOR THE EURO
12. National Institute for Economic and Social Research (NIESR), INNODRIVE
13. National Technical University of Athens, GLOBALINTO
14. Statistics Norway (STN), GLOBALINTO & INNODRIVE
15. University of Göttingen (UGOE), PUBLIC SUPPORT FOR THE EURO
16. University of Groningen (UGR), INDICSER
17. University of Ljubljana (UL), GLOBALINTO & INNODRIVE
18. University of Manchester (UMAN), GLOBALINTO
19. University of Vaasa (UVA), GLOBALINTO & INNODRIVE
20. University of Valencia (UV), INDICSER
21. University Paris-Saclay (UPSAY), GLOBALINTO

## 8. List of Taught Courses

---

My teaching focuses on “International Economics”, “Economics of European Integration”, “Economics of EMU and the Euro”, “European Economic Policy”, “Political Economy of EMU and the Euro” and “Intangible Capital and Growth” and takes the form of lectures, interactive lectures and seminars at the BA, MSc and PhD levels in both English and German.

1. Ökonomie der Europäischen Integration, Seminar, Profile Area, ~20 students, WS2023, BA Economics, University of Hamburg.
2. Intangible Capital and Growth, Lecture, Elective Area, ~45 students, WS2023, MSc Economics, University of Hamburg.
3. Außenwirtschaft mit Schwerpunkt auf Ökonomie der Europäischen Integration, Lecture, Representation of Prof. Wolfgang Maennig, Compulsory Area, ~150 students, SS2023, BA Economics, University of Hamburg.
4. Ökonomie der Europäischen Wirtschafts- und Währungsunion, Seminar, Profile Area, ~20 students, SS2023, BA Economics, University of Hamburg.
5. Economics of European Integration, Lecture, Representation of Prof. Thomas Straubhaar, Profile Area, ~75 students, WS2020, BA Economics, University of Hamburg.
6. European Economic Policy, Lecture, Elective Area, ~45 students, SS2022, MSc Economics and MSc Politics, Economics, Philosophy, University of Hamburg.
7. Economics of European Integration, Seminar, Profile Area, ~20 students, SS2022, BA Economics, University of Hamburg.
8. Intangible Capital and Labour Productivity Growth, Lecture, Elective Area, ~20 students, SS2021, MSc Economics, University of Hamburg.
9. Economics of European Integration, Lecture, Representation of Prof. Thomas Straubhaar, Profile Area, ~75 students, WS2020, BA Economics, University of Hamburg.
10. Intangible Capital and Labour Productivity Growth, Lecture, Elective Area, ~45 students, SS2020, MSc Economics, University of Hamburg.
11. Political Economy of Economic and Monetary Union, Lecture, Elective Area, ~45 students WS2019, MSc Economics and MSc Politics, Economics, Philosophy, University of Hamburg.
12. Economics of European Integration, Seminar, Profile Area, ~20 students, SS2019, BA Economics, University of Hamburg.
13. Political Economy of Economic and Monetary Union, Lecture, ~45 students WS 2018, MSc Economics and MSc Politics, Economics, Philosophy, University of Hamburg.
14. European Economic Policy, Lecture, Elective Area, ~45 students, SS2018, MSc Economics and MSc Politics, Economics, Philosophy, University of Hamburg.

15. Economics of European Integration, Seminar, Profile Area, ~ 20 students, SS2018, BA Economics, University of Hamburg.
16. International Political Economy, Lecture, Compulsory Area, ~45 students, SS2018, MSc Economics and MSc Politics, Economics, Philosophy, University of Hamburg.
17. Political Economy of Economic and Monetary Union, Lecture, Elective Area, ~20 students, WS 2017, MS Economics and MSc Politics, Economics, Philosophy, University of Hamburg, University of Hamburg.
18. Political Economy of Economic and Monetary Union, Lecture, ~20 students, WS 2017, MSc European Studies, Europa-Kolleg Hamburg, University of Hamburg.
19. Aktuelle Probleme der Europäischen Integration, Seminar, Profile Area, ~20 students, WS 2017, BA Economics, University of Hamburg.
20. European Economic Policy, Lecture, Elective Area, ~45 students, SS 2017, MSc Economics and MSc Politics, Economics, Philosophy, University of Hamburg.
21. International Political Economy, Lecture, Compulsory Area, ~45 students, SS2017, MSc Economics and MSc Politics, Economics, Philosophy, University of Hamburg.
22. Introduction to European Economic Policy, Lecture, Representation of Prof. Renate Ohr, Compulsory Area, ~45 students, WS 2011, BA Economics, University of Göttingen.
23. Eurozone Crisis and Political Union, Seminar, Elective Area, ~20 students, SS 2011, BA Economics, University of Göttingen.
24. Intangible Capital and Labour Productivity Growth, Seminar, Elective Area, ~20 students, WS 2010, BA Economics, University of Göttingen.
25. Trust and Economics, Seminar, Elective Area, ~20 students, SS 2010, BA Economics, University of Göttingen.
26. Trust and Financial Crisis, Seminar, Elective Area, ~20 students, WS 2009, BA Economics, University of Göttingen.
