Privacy policy

The protection of your personal data is important to us. For this reason, we are informing you about the use of your personal data with this privacy policy.

The association In Harmony with Nature e.V., Marktstraße 11, 88677 Markdorf, board of directors Mrs. Stephanie Bunk (1st chairwoman), collects your data within the framework of the statutes of the association in the currently valid version.

The data collection and processing is necessary for the implementation of the statutory requirements and is based on Article 6 (1b) GDPR. This involves your contact data (e.g. name, address, telephone number, email account) and your account data (account holder, bank details, account number), as also shown on page 1 of this membership form.

Your data will not be passed on for advertising purposes. Your data will only be passed on to third parties within the scope of the necessary tasks/duties provided for in the articles of association or due to legal requirements, e.g. the storage of donation receipts in the event of an audit by the tax authorities.

Your data will be deleted as soon as it is no longer required for the purpose of its processing, e.g. when you leave the association. However, statutory retention periods are taken into account and fulfilled.

You have the right to object to the use of your data for the purpose of receiving information via a newsletter at any time.

You are also entitled to request information about the data stored about you by the Executive Board of the association and to request the correction of incorrect data or the deletion of your data in the event of unauthorized data storage.

In the event of breaches of data protection law, you have the right to lodge a complaint with the competent supervisory authority. The competent supervisory authority for data protection issues is the data protection officer of the federal state of Baden-Württemberg.

A detailed version of our privacy policy can be found on our homepage.

I agree to the collection and processing of my personal data by the association In Harmony with Nature e.V. e.V..
